Deputy Comptroller

Weekly Activity Report.

1. The Deputy Comptroller met with the Acting Comptroller General and laid on special security arrangements with respect to certain papers in the files of the General Accounting Office which are related to a matter of extreme sensitivity. Subsequently, the DCI was advised that this action had been completed.
2. The Deputy Comptroller, Chief, Budget Division and Chief, TAS, met with various representatives of the DD/P and PAPS and discussed the objection of the DD/P to the language which is being included in project administrative plans pertaining to budget review and budget control. After several hours of discussion it was agreed that the Chief of PAPS, the Deputy Comptroller and the Chief, Budget Division will further discuss the matter with the DD/A and will again meet with the same group after such discussion.
